3 TIPS

1. Search for your business like a prospect on the web directory. If you can't find it, log in to the Member Information Center and make changes to your listing.
2. Find Ambassadors or Staff at Events to help you build your network. Ambassadors have orange name badges and Staff namebadges are white. We want to make sure you're meeting people and are always happy to help.
3. Make sure you're getting the Chamber's newsletter. The weekly newsletter is sent out every Tuesday at 2:00 PM. By opting in to Chamber communications you can choose which updates you want and ensure you receive them.
